Photo & Image Release

We'd love to show your tattoo — but only with your blessing. This form lets you decide whether, and how, we may use photos or video of your piece. It's entirely your choice: saying no changes nothing about your tattoo, your appointment or how you're treated.

3 Good to know

Voluntary & free — giving permission is your choice and you receive no payment for it. Declining has no effect on your tattoo or service.

Withdraw any time — you can withdraw this permission for the future whenever you like — just tell us. Content already published, shared or printed may not always be fully removable, especially once others have reshared it.

Legal basis — this consent rests on Art. 6 (1)(a) GDPR and § 22 KUG, your right to your own image.
